early November. Another border guard detachment of 10 men had recently been established at Fitzroda.

8. On 6 November, the **Soviet** guards at the intersection of the Berka-Richelsdorf and the Obersuhl-Untersuhl roads were replaced by VP guards. The Soviets moved into the bunker on the Untersuhl-Obersuhl dirt road.

9. At 3 p.m. on 18 November, the Grenzpolizei in the Gerstungen area were alerted and the patrol activity in the border area intensified. Raids were conducted in the towns of Bankmarshausen, Berka, and Gerstungen. The passengers and baggage in all trains in the border area were checked.

10. On 18 November, it was learned that the VP Grenzkommando in Obersella had 1 VP Kommissar, 1 VP Meister, 1 VP Hauptwachmeister, and 18 police. The VP Grenzkommando in Vacha had 1 VP Oberkommissar, 1 VP Kommissar, 1 VP Meister, and 36 police. The VP Grenzkommando in Oechsen had 20 police. Soviet border guard detachments in that area included one in Vacha, consisting of 1 senior lieutenant and 18 MI, and another in Oechsen, consisting of 1 captain and 24 MI.

11. VP Grenzkommandos observed on 26 November included one in Lanchroden, consisting of 1 VP Kommissar, 1 VP Meister, 1 VP Hauptwachmeister, and 27 police; a second in Gerstungen, consisting of 4 VP officers and 45 police; and a third in Untersuhl, consisting of 1 VP Kommissar, 1 VP Meister, 1 VP Hauptwachmeister, and 27 police. A Soviet border guard detachment was stationed in Neustadt. It controlled the Autobahn as far as Wormen and consisted of 1 senior lieutenant, 1 junior lieutenant, and 10 MI.
